Dane's Very Darn Good Amateur Bike Tune-Up Form

Dear Tri Babes,

Your Tri Hare, Dane Ballou, is VERY happy to make sure that your bike peddles as smoothly as possible. I mean, why work harder than you have to!!! And, if you ARE going to work hard, that effort should be used to gain you speed not to overcome a mechanical bike deficit!!! If you are interested in Dane's bike maintenance services, please fill out this form, attach it to your bike, and drop it off at our house (2801 Cantu Ln. N.W. Seabeck, WA 98380) along with your $20 payment.
